Year end staff message

How would you like to receive this message from management?

Dear Staff

It is advised that you come to work dressed according to your salary. If we see you wearing Prada sneakers and carrying a Gucci bag we assume you are doing well financially and therefore you do not need a raise.

If you dress poorly, you need to learn to manage your money better, so that you may buy nicer clothes and therefore you do not need a raise.

If you dress in-between, you are right where you need to be and therefore you do not need a raise.

Sick days: We will no longer accept a doctor statement as proof of sickness. If you are able to go to the doctor, you are able to come to work.

Surgery: Operations are now banned. As long as you are an employee here, you need all your organs. You should not consider removing anything. We hired you intact. To have something removed constitutes a breach of employment.

Personal days: Each employee will receive 104 personal days a year. They are called Saturday and Sunday.

Vacation days: All employees will take their vacation at the same time every year. The vacation days are as follows: 1 January and 25 December.

Lunch break: Skinny people get 30 minutes for lunch as they need to eat more so that they can look healthy. Normal size people get 15 minutes for lunch to get a balanced meal to maintain their average figure. Fat people get 5 minutes for lunch, because that's all the time needed to drink a Slim Fast and take a diet pill.

Thank you for your loyalty to our

company. We are here to provide a positive employment experience. Therefore, all questions, comments, concerns, complaints, frustrations, irritations, aggravations, insinuations,

allegations, accusations, contemplation, consternation and input should be directed elsewhere. Have a nice day.
